GENERAL POLICIES

Disinterments - Our minimum professional fee is \$450.00. This includes the necessary family conferences, coordinating with the cemeteries and grave service companies, arranging for transportation and obtaining the necessary permits and authorizations. All grave service charges and transportation will be handled as a cash advance (*you will be charged only what we are charged*). We reserve the right to make additional charges for professional services which require more of our time.

Unembalmed Bodies - Texas Statutes provide that all bodies not disposed of within twenty-four hours after death must be embalmed or refrigerated. If you do not want embalming, we can arrange for refrigeration. You may have a funeral service with an unembalmed body present, but under no circumstances will we allow *public* viewing of an unembalmed body. *Only the immediate family will be allowed to view an unembalmed body.*

Infant Services - The death of an infant is often sudden and extremely traumatic to a young family. In order to alleviate any financial obligations for funeral expenses, Claybar Funeral Home will provide at *no charge* the following services and funeral merchandise for an infant service: basic professional services, local removal and transportation to a local cemetery, a graveside service and a Cherub casket/vault combination.

Youth Services - Youth and children's funeral services also present difficult and emotional funeral arrangements. Claybar Funeral Home will discount all services from the General Price List by 20% in order to assist the family. Youth casket and outer enclosure price lists are available at the funeral home.
